DECLARATION UNDER 37 CFR § 1.132

Sir:

The undersigned, Radhika Thekkath, Scott M. McCoy, Franz Treue, Morten Zilmer, and G. Michael Uhler, do hereby declare and state that:

1. We are the named inventors of the subject matter described and claimed in the above-identified application and were employees of MIPS Technologies, Inc. or a wholly owned subsidiary thereof throughout calendar year 2001.
2. The MIPS Technologies EJTAG Specification Revision 2.60 (Document Number MD00047) describes subject matter disclosed in the above-identified application.

3. We are the sole inventors of the subject matter disclosed in the above-identified application.
4. We are the sole inventors of the claimed subject matter of the above-identified application that is disclosed in the EJTAG Specification Revision 2.60.
5. The undersigned and/or others, under our direction and supervision, prepared at least those portions of the EJTAG Specification Revision 2.60 that discloses the claimed subject matter of the above-identified application.

Declaration

We declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
